New organizations at Coffee; Bi-Racial Committee and SST

The Bi-Racial Committee and S.S.T. (Students for School Tranquility) became a vital function of Coffee High School this past year. The Bi-Racial Committee met on a weekly basis at Richards Center to discuss the various problems and grievances of the Students. Although many heated discussions took place, they were eventually cooled down. A suggestion box was set up in the office for dissatisfied but concerned students.

Did you ever wonder who the students were who walked around the halls with the black and white armbands on? It was no other than our famous SST that took the place of the policemen that were up here for several weeks. They had several responsibilities bestowed upon them. They used their influence to carry people to the office, subdue fights, and watch over the other students.

Bo Osborn and Billy Armstead were appointed by Coach Smith, and each submitted six names who were approved by Mr. Smith. These fourteen students became the SST. These students have been a great help this year and we thank them for their services.

Coach Smith — a man who cares

This year has seen more special privileges granted to Coffee students than any other year. The unseen force behind these events has been our principal, Ralph Smith. This man adds that extra ingredient which it takes to be a good principal. He cares about us not only as individuals, but also as a student body. He is concerned about the school and faculty as well. It is too bad that so many kids see him only as a disciplinarian and not as the humanitarian which he is. Coach Smith has worked hard this year with the Student Council to make 1973 Coffee's best year.

Coffee High football — play by play

That annual production known as Coffee High football returned this fall. The show had the same director, Coach Buddy Moore, the cast was familiar, and the script read pretty much the same — one of both victories and defeats.

After a long, slow prologue, the curtain finally rose to the victory scene with a big homecoming win over Scotsboro, 22 to 8. The audience, including the class of "49", gave C.H.S. a real ovation.

The grand finale was the game with the Bradshaw Bruins. The overwhelming power of the Jackets was too much for the "pasturized" Bruins and the Black and Gold climaxed on top.

The thrill of victory

The satisfaction of a job well done

To a real sweet and cute girl who's a whole lot like a sister to me. I'll never forget the great times we've had together. Good luck in the future.

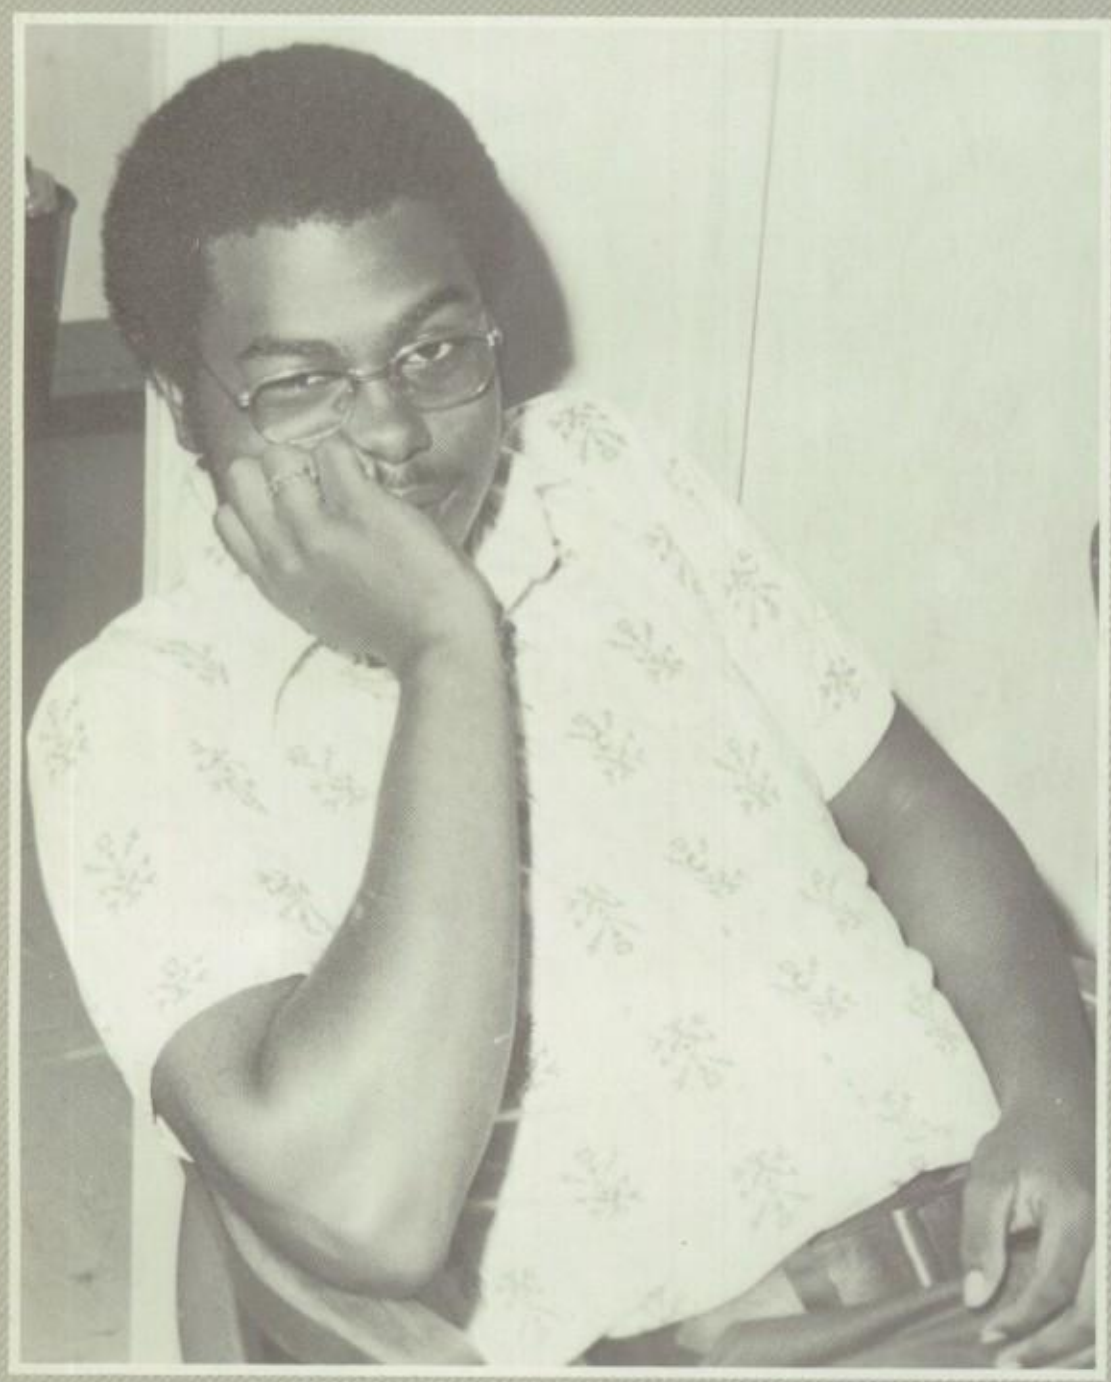
Do you call this studious?



Hi Helen, -
I just want to let you know how much fun it's been having you in speech class this year. It was sure nice to get to know you. I think you have a great personality and are a great person. Have a fun summer, and good luck in the future.

Love Always

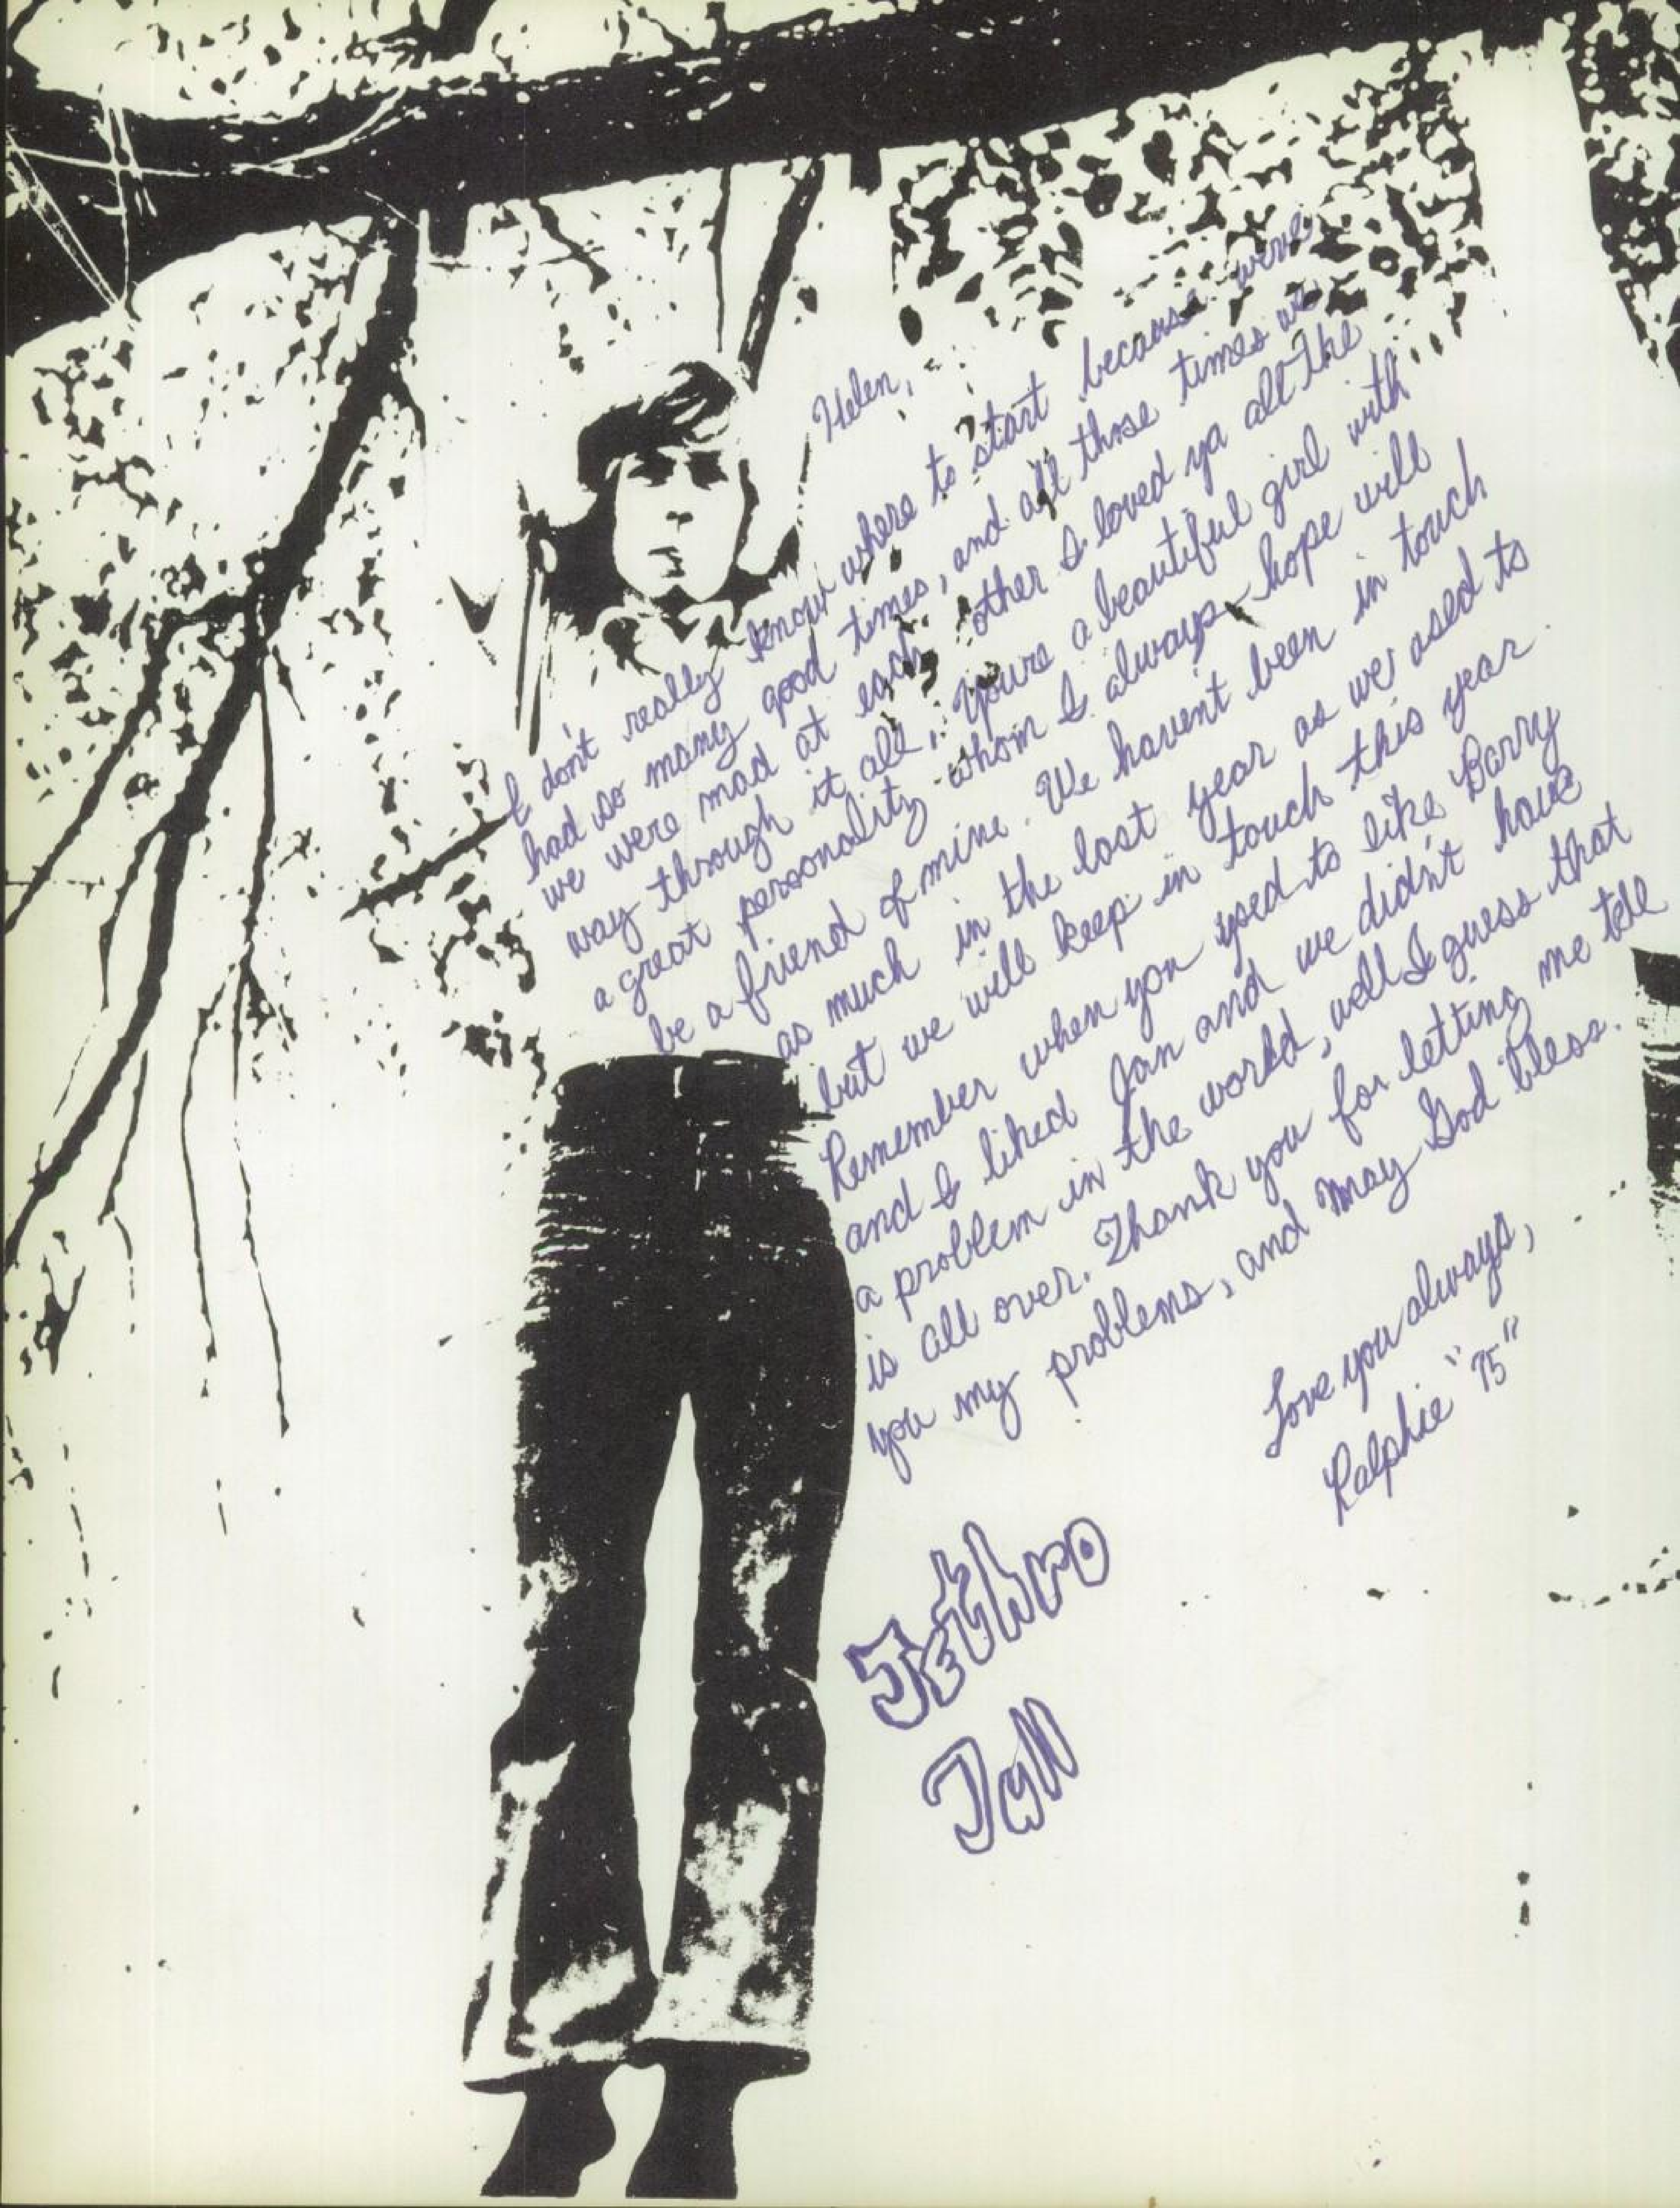
Keep on truckin'



Helen,

I don't really know where to start because we've had so many good times, and all those times we were mad at each other I loved ya all the way through it all. Youre a beautiful girl with a great personality whom I always hope will be a friend of mine. We havent been in touch as much in the last year as we used to but we will keep in touch this year. Remember when you used to like Barry and I liked Jan and we didn't have a problem in the world, well I guess that is all over. Thank you for letting me tell you my problems, and may God Bless.

Love you always,

Well Helen you really left me a space to write, "Opportunities unlimited" what kind of page is this? I'm not in a writing mood so I shall cut this short. You've really meant alot to me this year even from the very beginning. I'll never forget at the first of the year how you made me feel I was very alone and wondering and you made me feel so accepted and comfortable and as the year continued I'd see you do this with other people. You have a wonderful gift of making people feel comfortable and cared about when they around you. Thanks for everything and if you ever learn how to unhook speedometers on Malibu cars we'll go to hmm let's see, how about Huntsville?? -- carol

Hi Helwin –

To my most favorite person in the world – to Booga! Boogaloo it's been a lot of fun this year not having you in any of my classes (just kidding) You have been the best F.C.C. representative that Optima has ever had (year before last was T.S.)

I've enjoyed going to the F.C.C. meetings with you, (they were so much fun) Remember Atlanta! and the time you never cut my hair. Remember Senior Life. Having with Cindi and that party we gave Maurie with those goofy presents. I remember when you were in the music man and I got so excited when I saw you that I jumped up and started waving? I'm glad we've gotten to be better friends and I hope we have at least one class together next year.

Sincerely Yours!

Love,
Jane

It wouldn't take long for you to figure out where I sign annuals! It's been a good year (even tho I'm no longer a 75er!) and I've enjoyed being with ya in study hall – thanks for the help in geometry! (It's gonna be a tie as to who'll get the geometry award!) Also, it's been great knowing you outside these hallowed halls! (already talking like a senior!) Thanks ever so much, especially, for cutting my hair! Oh well, I'm not gone yet so I'll see ya next year. Good luck as a junior – you'll need it!

So many things have happened this year – I won't bother to list 'em like you did. But, you know, when I think

Helen,

Well, we have really had some good times together over the years (10?). But this one has really been the best! We both got it at Mieux and we're rather together. The closeness of the girls and the true concern for each other I think has made us all better friends. Thanks for fishing me out when I need a double for the Banquet! We really did have a good time that night although L.N. ate his flower and a... has kinda changed. The lead out was beautiful! And the more I think about it, I really did have a good time. But next year will even be better since we have a lot to look forward to. I can't wait till this summer!!!! That week ought to be a blast! (My rat is going to wish she could BLAST me off the face of the earth too.) Well, I'll see you

Hey Helen,
Well, I guess I'll sign on this page by Dotson. I feel kinda lost writing in a Coffee annual. It's been centuries since I've talked to ya (since David and he were datin'). I'm glad I got to know you. You're a great gal. Don't ever forget the times you and J.C. or Jed doubled with David and me. Remember at J. V. A. when you had a date with Jed, and David and he went walking and the police came? Remember the night J.C., David, and I came to your house one night? That was when I first met you. Call me up sometime so we can talk. Tell Jan and everybody Hi. You have gotta get me a date with someone from Coffee, okay? Sometime you might need to try to get me a date with you-know-who, that is, if he doesn't hate me. We've gotta get together some this summer and do something, okay? Don't forget me.
Be good, or at least be careful.

Love Ya Lots,
Joni

Helen,

Hey!. Well I finished my 356 definitions! Well, I guess I could say a lot of things but there's not enough pages in the whole annual to say them so I'll use this page. A lot can happen in just one simple year. 1/10 of a decade + 1/100 of a century. A lot has happened! Things that have made us cry + made us happy but were great things. I know there have been times when we needed to talk to each + times that we just didn't care but we're always fiends after awhile. Our friendship has been a fantastic one!. What magazine said it couldn't happen? Remember "Infinity + The System"? Those were fantastic times! How about Barry? Those are somethings we tend to forget! Remember (I hate to mention it) J.C.!. I know it hurts to mention it but soon you won't even blink a eyelash. Remember going swimming & Dudley got sick + laid down on the Railroad Tracks? How about all the times you were our favorite green eyed groupie? We couldn't have done it without ya'! Remember you + Paul!! Kathy + I at the Park? I thoroughly enjoyed myself! How about the hayride at your church? I had a fantastic time. These past two years of friendship are ones I'll always remember. I hope there'll be many more!

P.S. Get me a date!

Helen,
What can I say to a girl who has been my little sister for 2 years. Remember the leadout. And remember the dance with El Lee? I dig you a lot

Be cool this summer.
Gay Ray

Helen,
Well the year is almost out and it's really been great. I'm glad I got to meet you. I only wish my speeches, and my oratorical ability were as good as yours. You are pretty and sweet, and I hope you stay that way. My best wishes to you in the future, and I hope you prosper in all you do, but most of I hope you prosper in the grace of God. I hope our tracks cross again sometime. May God bless you richly.

Luv ya J.C.
